United States Department of State

Washington, D.C. 20520

MAY 18 2007

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of defense articles abroad in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the transfer of technical data, assistance and manufacturing know-how to Israel for the manufacture of J79 engine parts for integration into F4, F104, and Kfir Military Fighter Aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 020-07

Speaker of the House of Representatives.
